

The Mentor Program was designed to help many of the new people, aka “Newbies”, who might need information or advice during an MTRA ride. This means that the person requesting a mentor does not have to camp near or ride the trails with the mentor but only to inquire and learn about anything on how the routine works and anything that might make the ride easier on both the Newbie and their horse. Any Mentor will have been on at least one MTRA ride and has experience with the day-to-day routine.

We hope this may make these rides easier and less intimidating for those who would like to join us in this great adventure. If you choose not to have a mentor, there will be many people on these rides that would be glad to help you out.

This is the form that you will find at the Trail Boss’s rig when you check in at the beginning of the ride.

Mentor Sign-up Sheet

| Mentor Name | Rig # | Newbie’s Name | Rig # |
|--------------------|--------------|----------------------|--------------|
| | | | |
| | | | |

General Guidelines:

1. Mentors are for information only.
2. Be sure to share cell phone numbers including the Trail Boss number.
3. Please read the **Newbie Booklet**.
4. Attend all pre-ride Trail Boss meetings.
